I am out of the office Wed. May 22 - Wednesday, May 29, for annual leave, Agency furlough, and work travel. While I am out, Jim Pendergast will serve as Acting Director of the Wetlands Division, except Wed. am, May 23 when you should contact Russell Kaiser or Mike McDavit.

Direct urgent matters to Jim at 202-566-0398, or Pendergast.Jim@epa.gov. Note that Friday, May 24 is a Mandatory Furlough Day for all EPA staff, and no one will be able to respond to your inquiries on that day.

I will return to the office on Thursday, May 30, and respond to messages then.
